Lord, please be my guide here. Lord, I pray to You.
Long be - fore I knew You, You had plans for me.

I have need of di - rec - tion! You know what I should do. I'm just
Plans for life and sal - va - tion; life for e - ter - ni - ty. How can

made from the dust Lord. but You cre - at - ed all things.
I e - ver thank You, for all that You've done for me.

I need to know Your will, Lord, so that I may fol - low You.
I be - long to you now, Lord. Please show me what I should do.

You have known my heart, Lord. It's not al - ways
Who am I that You should care one bit for me?

true. I have need of Your pre - sence, I'm lost with - out You!
You de - si - re my pre - sence in a new world with You.

This world's glitz and ill - u - sion makes it so hard to see You.
This world's pas - sing a - way now, and all its gla - mour is, too.

I need Your lov - ing coun - sel to keep me straight and true.
Your Son Je - sus is my Lord. To him I will be true.
